Efficiency Guarantee

Simple. Smart.

The most effective guarantee in the industry. Period.

What is the Efficiency Guarantee?

- A risk-free approach to more storage, more value, and more efficiency
- A way to get high performance while minimizing energy usage and greenhouse gas emissions
- Our guarantee: if we don't meet your workload efficiency goals, we'll make it right

Benefits:

Simple

- 4:1 for SAN protocols (Fibre Channel, NVMe, iSCSI)
- 1.5:1 for NAS protocols (NFS, SMB, CIFS)
- 3:1 for VMware, Hyper V, and KVM workloads on NAS
- For ONTAP all-flash systems including AFF A-Series, AFF C-Series, All SAN Array, FAS500f, and SolidFire

Smart

If we don't meet your workload efficiency goals, we'll make it right – at no cost to you

Don't just take our word for it

"With NetApp, we're able to fit a whole lot more in a smaller amount of space and still provide more performance than we had before."

— CI engineer, financial services firm
