

# AFF A300, A320 and A700s Tech Specs

## AFF A300, A320 and A700s Tech Specs

	AFF A300	AFF A320	AFF A700s
Best for	Most enterprise applications that require best balance of performance and cost	Enterprise applications that require the best performance at value	Performance-driven workloads and data center requiring small footprint
Maximum scale-out	24 nodes	24 nodes	24 nodes
Maximum SSD	4608	576	2592
Max effective capacity <sup>1</sup>	562.2PB	141PB	316.3PB
Controller chassis form factor	3U	2U	4U 24 internal SSD slots

1. Effective capacity based on 5:1 storage efficiency ratios with the maximum number of SSDs installed; space savings will vary dependent on workload and use cases.

## About NetApp

NetApp is the data authority for hybrid cloud. We provide a full range of hybrid cloud data services that simplify management of applications and data across cloud and on-premises environments to accelerate digital transformation. Together with our partners, we empower global organizations to unleash the full potential of their data to expand customer touchpoints, foster greater innovation and optimize their operations.
